Arsonists strike at popular playground

ARSONISTS have ruined a playground at Haverhill and police fear someone could be seriously hurt unless they are stopped.

A large piece of play equipment, shaped like a big red ship, on Haverhill Recreation Ground, was torched by vandals using a type of accelerant at around 7.20pm on Monday and destroyed.

Police had to ask the council to remove the equipment because it was beyond repair and could be dangerous.

Pc Sonia Plume and Police Community Support Officer Les Scott surveyed the damage the next day and urged anyone who had any information or who had seen anyone acting suspiciously in the area to come forward and help catch the culprits.

The damage comes only two weeks after vandals went on a wrecking spree across the nearby Clements estate, setting four wheelie bins alight, including one which was outside the back door of a house from which a family of five only narrowly escaped being trapped inside. More than 70 cars were also scratched on the same night.

PCSO Scott said: "If we don't catch these people someone is going to end up getting seriously hurt."

Email: editorial@haverhillweeklynews.co.uk

"The damage to the playground equipment is horrendous. There is no way it could be repaired and it is not going to be cheap to replace."

"It is a place where you get a lot of young mothers taking their children, which is really nice to see. It is a real shame to see it destroyed and we would urge people to help us catch those responsible."

A spokesman for St Edmundsbury Borough Council confirmed that a Mayflower rocking boat in an enclosed area at the Haverhill Recreation Ground with play equipment for younger children had been irreparably damaged by fire. The item had been removed and the area was open as usual.

Cllr Lynsey Alexander, cabinet member for culture and sport, said: "It is bitterly disappointing when the enjoyment and pleasure of young children is dashed by the thoughtlessness of others."

"The Mayflower was only installed last April and has been a popular piece of equipment. We are looking into ways of replacing it, but I trust that those responsible for the criminal damage are aware of the consequences."

Police say a group of youths, one on a mini moped, had been seen in the area at the time. Anyone with information should call Pc Guy Ainsworth at Haverhill Police on (01284) 774100 or Crime-stoppers on 0800 555 111.

Eyes down to help boost appeal fund

BY Jo Deeks

Email: editorial@haverhillweeklynews.co.uk

BINGO fans have been helping to boost the coffers of the *Weekly News* St Nicholas Hospice at Home Appeal this week – and generous great-great-grandparents are also giving it their backing.

Jim and Eileen Green have been organising regular bingo sessions at Sainsbury's coffee shop in Haverhill for the past five years and have raised close to £4,000 for the East Anglian Air Ambulance Appeal.

When Eileen, 76, read about our appeal to raise £40,000 for St Nicholas Hospice – to provide services for patients from the Haverhill area in their own homes, rather than them having to drive to Bury St Edmunds – she immediately suggested to husband Jim, 78, that they share the proceeds of their next charity bingo session with the appeal.

On Monday night it was eyes down for bingo fans at the coffee shop, which is provided free of charge by Sainsbury's, with the store's master baker Trevor Weed acting as the regular bingo caller.

The session raised a total of £130 for the appeal, which included £20 donated by Mr E Matthews in memory of Liz Matthews. Another £110 was also donated to the Air Ambulance Appeal.

Jim and Eileen, of Hempstead Road, Haverhill, also organise regular whist drives on Monday afternoons at the Old Independent Church to raise money for church funds and for charity.

Jim said: "We started doing it through the residents' association, then we carried it on ourselves. It is a nice night out for people and raises money at the same time."

"As soon as Eileen saw your appeal in the paper she wanted to help out. We both thought it was a wonderful idea, they do such a great job at the hospice. Sainsbury's are

very good to us and we get wonderful support. All our prizes are donated, we have stacks of them at home."

■ Meanwhile, regular supporters of the hospice, Gordon and Janet Pledger, of Hazel Close, Haverhill, are giving their backing to the appeal.

Gordon, 72, and Janet, 86, have raised several thousands of pounds for the hospice in gratitude for the care Janet's son Barry Brown received there two and a half years ago.

Gordon pushed Janet in her wheelchair on a sponsored walk to raise £1,700 and the couple raised £1,000 last year and £600 this last Christmas, by asking friends and relatives to give them donations for the hospice instead of Christmas presents.

Gordon said: "We want to thank

all our family and friends for the wonderful support they have given us. Janet has six children, my step-children, and we have lots of grand children, great-grandchildren and now two great-great grandchildren. We have lost count of how many there are and more still keep coming.

"We think the appeal is a very good idea, we travelled in every day to see Barry and he was in there for about six weeks.

"We could not have managed him at home, but it would help a lot of people. The travelling is very tiring and stressful."

■ Let us know if you are planning an event to support our appeal. We will help publicise it to make sure you raise as much as possible. Call (01440) 7093891 or email editorial@haverhillweeklynews.co.uk

How can you help?

WE CANNOT reach our target without your help – so the *Weekly News* wants to hear from anyone who is organising fund-raising discos, barbecues, dances or other events to boost the hospice appeal.

Tell us what you are planning and we will help publicise your event to make sure it is a success and raises as much money as possible. If you already have an event organised, why not pledge all or part of the proceeds to the appeal and benefit from the extra publicity to help a really good cause.

A special bank account has been set up at Barclay's Bank. Cash or cheques can be paid in directly to the St Nicholas Hospice at Home Appeal, sort code 201612, account number 80981842.

An on-line donations page has also been created at www.justgiving.com/haverhillweeklynews, which also gives details of how to donate by text, and you can donate by phone on (01284) 715582, at the hospice shop in High Street, Haverhill, or the *Weekly News* office in Queen Street, Haverhill.

Prison for man who drove car at Pc

A MAN who drove his car at a police woman who was trying to arrest him has been jailed for seven months.

Jason Robson, 37, admitted assaulting Pc Elaine England with intent to resist arrest as well as being in breach of a suspended prison sentence, when he appeared at Ipswich Crown Court.

The court heard police were called to a domestic incident involving Robson and his partner at Larks Hill, Haverhill, and when Pc England arrived she found him in the back garden.

When the officer told Robson she was arresting him on suspicion of burglary, he told her "You ain't arresting me lady". Robson pushed Pc Eng-

land away and she fell over backwards, dropping the handcuffs she was holding.

Robert Sadd, prosecuting, said Robson ran off and got into his car, while the officer gave chase.

When Pc England approached the car Robson again pushed her away and tried to shut the door so that her body was "sandwiched" in it. He

started the car, turned it round and started driving towards the officer, who sought refuge in a garden.

Judge John Deveaux implemented three months of the suspended sentence Robson was in breach of and imposed a four month sentence to run consecutively for the assault, less 52 days he had already spent in custody.

Nicola May, for Robson, said her client had been feeling unwell at the time of the incident and had argued with his partner.

He was still in a relationship with her and she had attended court with him.

Miss May said Pc England had subsequently been able to arrest Robson and he had apologised to her for his actions.

Pc Sonia Plume and Police Community Support Officer (PCSO) Les Scott this week visited the Methodist Church Playgroup, which meets in the hall behind the church in Camps Road, Haverhill.

The officers met the under fives to let them know that they are there to help them and to spread important lessons about not talking to strangers and taking care when out playing.

Two injured in street fight

TWO people were arrested and two men suffered head and facial injuries after a fight outside a pub.

Police are appealing for witnesses to the incident which happened in High Street, Haverhill, at around 1.15am last Sunday.

A 23-year-old man from Ipswich was arrested on suspicion of assault and was released on police bail, to return to Bury St Edmunds Police Station on April 11. A 31-year-old man from Haverhill was also arrested on suspicion of assault and released on police bail, to return to Bury St Edmunds Police Station on March 11.

Anyone with information about the incident should call Pc Hylton Garrick or Pc Robert Bunton at Haverhill police on (01284) 774100 or Crimestoppers on 0800 555111.

Council sticks to its two-tier schools plan

BY Jo Deeks

Email: editorial@haverhillweeklynews.co.uk

CLOSING Clare Middle School and developing the two existing upper schools in Haverhill is Suffolk County Council's preferred option as part of its plans to shake-up the county's school system.

The decision follows a 12-week consultation period and strong opposition from local parents.

An impassioned campaign by parents and supporters at Clare failed to persuade councillors that the town's middle school should become a third upper school for the district.

Education chiefs revealed on Monday that they will be sticking to their preferred option, which will go before the cabinet on Tuesday.

Option one involves the expansion of the two existing upper schools to cater for the full secondary age range, encouraging federations between Castle Manor Business and Enterprise College and Burton End Community Primary School, and between Samuel Ward Arts and Technology College and Westfield Primary School.

It is believed the creation of these formal partnerships will help minimise the disruption young people experience when they change school at the age of 11, by creating even closer links between the schools.

All village primary schools will be retained and expanded to accommodate two extra year groups, for children aged 10 and 11, with some relocated on to bigger or more central sites.

Burton End Primary would move to the existing Parkway Middle School site, Westfield Primary would move to the Chalkstone Middle site, and Haverhill's third middle school – Castle Hill – would close completely. Further investigation will take place into developing post-16 provision, possibly with a new sixth-form centre for Haverhill in partnership with the Learning and Skills Council.

Cllr Patricia O'Brien, portfolio holder for children, schools and young people's services, said: "It was felt it would be impossible to

Parents to fight 'out of touch' scheme

PROTESTERS at Clare have vowed to continue fighting to get their middle school converted into a new upper school and say county education chiefs are out of touch with current Government thinking.

CLRE was formed by parents, teachers and others who support Option 3, which would mean developing the Clare Middle School site into a third upper school for the area, rather than sending pupils to Haverhill. Jim Meikle, chairman of the group, said the decision was not surprising but they would fight to overturn it.

He said: "We are not going to change our view. We hope that cabinet members will be brave enough to choose Option 3, which would satisfy the rural community, enable Haverhill schools to have what they have

been striving for for years and protect Sudbury schools from total chaos if Option 1 is chosen. "At the moment three quarters of the pupils from Clare go to Sudbury schools and Haverhill schools would not be able to cope with the demand. It they adjusted the catchment areas there would be enough pupils for three reasonable sized schools which could cope with planned expansion in Haverhill and Sudbury and meet Government standards. County officers are completely out of date and out of step with Government thinking, which moved away from large federated schools some time ago."

But West Suffolk MP Richard Spring supported the county council's preferred option. He said: "I am absolutely delighted that the county council has

decided to turn down the creation of a new upper school in Clare as this would have potentially undermined the pupil flow to the two upper schools in Haverhill.

"Both schools have an improving and good academic record, inspired by two outstanding head teachers. This has been a difficult time for everybody concerned in education in the area, but the two upper schools offer an increasingly attractive education for young people. "I have had many meetings and conversations with the school heads and governors, and with the county council itself, and I am very pleased that they have come to this decision. It underlines the county council's faith in the future of education in Haverhill, and of Haverhill itself, sentiments which I fully support."

sustain what would be four effectively smaller secondary schools, because what happens at Clare also affects Sudbury Upper School.

"The committee is very supportive of keeping schools in rural communities and will be looking to expand Clare Primary School, which could be moved to the middle school site and have community facilities such as adult education."

Rosalind Turner, director for children and young people's services, said: "Schools in Suffolk perform well but could perform even better. This review will remove some of the barriers affecting young people's performance and result in a system which is sustainable, affordable and which can deliver a broader curriculum."

If the preferred option is accepted by the cabinet and then the full council, primary schools will start to retain pupils who would have gone to middle schools in 2010 and middle

schools will close in 2011.

Cllr O'Brien said the changes would be brought in slowly in phases over a two-year period to minimise disruption to pupils during the change-over period. When middle schools close, children will stay at primary schools until they are 11 then move to upper school.

Howard Lay, head of Samuel Ward in Haverhill, said: "I think they have gone for the right option for educational reasons."

"This will enable us to widen the curriculum by developing schools that have proved themselves to be very successful."

"We will be able to offer a much more exciting curriculum and we can keep the smaller feel by operating schools-within-schools and using smaller group structures."

Options have been announced for Haverhill and Lowestoft schools because they are the first two areas to be reorganised. Other parts of the county will be considered in future.

Liam in big push to help charity

HELPING to push fellow travellers in wheelchairs up steep slopes in the Andes last year inspired teenager Liam Plumridge to take on an even bigger challenge – pushing a wheelchair up Ben Nevis. Liam, 17, who suffers from dyspraxia, which affects his balance and co-ordination, was part of a group of 10 people with various disabilities who were taken on the trip of a lifetime to Ecuador for the BBC 2 programme *Beyond Boundaries*.

Two of Liam's fellow travellers were in wheelchairs, along with sufferers of cerebral palsy and amputees. They spent almost a month in Ecuador after being flown into the jungle in a Hercules army plane, travelling by boat down the Amazon and getting a hair-raising lift in the back of a cattle truck.

Now Liam, a pupil at Castle Manor Business and Enterprise College in Haverhill, and most of those who went on the Ecuador trip are planning to push the wheelchair up Ben Nevis in May, to raise money for the charity Scope.

They hope to get sponsorship from individuals, as well as companies who can get publicity on the team's t-shirts.

Liam, of Beaufort Court, Haverhill, hopes the event will increase awareness of dyspraxia, which makes simple tasks like tying up shoelaces difficult. In Ecuador he discovered just how hard it is to push a wheelchair at 5,000 feet.

Liam said: "I think it is going to be a long, steep and cold trek. I am already in training for it and we want to raise as much sponsor money from it as we can."

"I want to do as much as I can to raise awareness about my particular disability. We hope people will be generous to help the charity."

To sponsor Liam, email him at liamplumridge@btinternet.com

A1307 safety bid launched on web

BY Jo Deeks

Email: editorial@haverhillweeklynews.co.uk

A SCIENTIST has set up a website to help secure improvements on the A1307 "road of death".

Giuseppe Elia, 27, works for leading biotech company Genzyme and has set up the new website for A1307 users to discuss issues and petition for change.

He acted after recent accidents on the road, which claimed six lives last year.

Already this year a 29-year-old woman from Haverhill was lucky to escape with her life when her car collided with a lorry and was pushed into a tree on the road.

Mr Elia has lived in Haverhill for just over a year and previously commuted daily into the town from Peterborough via the A1307.

He said: "Being a resident of Haverhill and a frequent traveller on the A1307, it's hard to avoid those monstrous issues and devastating occurrences that frequent the A1307 – travelling along the road can be a constant reminder of how frail life can be.

"Since I have lived in Haverhill, I find it shocking how

■ VICTIM . . . Stevie-Jay Sims.

little has been done to improve the road. I could think of several ways in which the road could be improved, yet nothing has been done.

"Hence I created www.A1307.com

"I thought maybe I could help make a difference by focusing the thoughts, views

and opinions of the residents in the Haverhill area into one place in which they can demonstrate what they want to happen – how to make things better, safer, and petition for changes."

In addition to the six fatalities on the A1307 last year, there have been 26 accidents in the last two years. In August 2007, motorcyclist Nicholas Williams died after a collision with a van close to the Hildersham crossroads.

Elizabeth Clifton-Brown, 80, died in December 2006, following a crash near Bartlow crossroads. Haverhill father-of-two Anthony Bacon was the victim of a smash on the A1307 in September 2006.

In August 2006, schoolgirl Stevie-Jay Sims, 17, died after a crash on the road and Imogen Barker, 15, from Shudy Camps, died last March when she was hit by a car crossing the road after getting off a bus at Horseheath Green junction.

On December 1 last year Peter Rodgers 34, of Chedburgh Place, Haverhill, was killed when his Ford Transit van overturned.

Cambridgeshire County Council has announced improvements and is reviewing speed limits.

Moped stolen

A MOPED has been stolen from a garden at Haverhill where it was parked during the day.

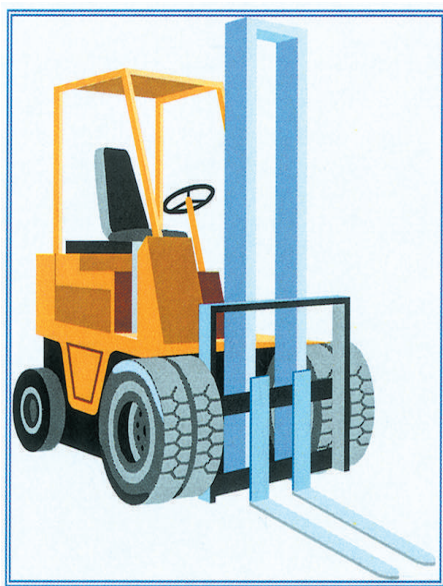

The blue Gilera moped, registration AE55 AOT, was taken from the garden at Ruffles Road, Haverhill, between 7am and 6pm last Thursday.

Anyone with information about the theft should call Pc Sonia Plume at the Haverhill South Safer Neighbourhood Team on (01284) 774100, or Crimestoppers on 0800 555 111.

'Inflation-busting' tax target over two years

A COUNCIL has announced plans for a Council Tax rise of 3.4 per cent – half a per cent below the cost of living and benefits level increases.

St Edmundsbury Borough Council has approved the rise, which equals less than 11p a week for a band D household.

The council also set a target of keeping rises over the next two years to at least half a percent below the level of inflation.

The rise for 2008/09 amounts to £5.67 a year for a band D payer, or £4.41 (8.5p a week) for the borough's largest single group of tax payers, who live in band B homes.

Cllr John Griffiths, Leader of the Council said: "We have not only

kept our promise to Council Tax payers to keep rises to a minimum, but are taking a longer term view and aiming to hold future rises down to at least half a percent below RPI for the next two years.

"St Edmundsbury is ambitious for its residents and, by budgeting carefully and finding new ways to reduce costs, I believe this offers some certainty and a very fair deal to our tax payers. It also keeps rises below the measure the Government uses to calculate many benefits, including the state pension."

Cllr Paul Farmer, cabinet member with responsibility for resources, said: "Keeping Council Tax half a percent below

RPI over the next two years is an inflation-busting promise which means the cost of council services will go up by less than the day-to-day cost of living.

"All this has been done without compromising either the excellent services we offer or our ambitious capital programme, which will see in excess of £25 million spent on projects throughout the borough in the next year."

St Edmundsbury's share of the overall Council Tax bill will be £171.99 a year for a band D payer. The remaining 88 percent of the levy will go to parish/town councils, Suffolk County Council and the police.

Magpas grateful for 'in memory' funds

Sir, The Magpas-Haverhill Community First Responder Scheme would like to record its sincere thanks for the generous donation of £600, given by family and friends in memory of Mr Eric Ager, who died last September. We would also like to thank Mrs Ager for nominating us to receive these funds. The Community First Responder Scheme comprises local unpaid volunteers who are trained and equipped by the charity Magpas to attend 999 life-threatening emergencies for the ambulance service when the ambulance is not nearby. Our scheme went live in

October 2002 and we have treated several thousand residents in Haverhill since that time.

We are proud of the support we are able to give to our community, which is only possible because of the generosity of local people. This "in memory" donation will be used towards the cost of ongoing training and equipment for the Haverhill scheme in the coming year.

Our job is to speak up

Sir, It was never our intention to respond "tit for tat" to the Conservative councillors' recent article in the press defending their position in respect of increasing the local Council Tax. However, the electorate that we represent have advised us that they are incensed by the name-calling of the Labour Group, that we are "embittered" for challenging the

decision made by Conservative Borough Councillors. The Labour Group's position is very clear: call us what you will. We will robustly challenge any decisions that we believe are not in the best interests of the people in Haverhill. That's what we were elected to do. We will turn the negative name-calling into something

positive.

We will wear the label "Labour embittered councillors" with pride.

You need a sense of humour in politics and we have more important things to do than to get involved in name-calling.

Leader of the
Labour Group.

Two seats contested

A BY-ELECTION for the vacant St Edmundsbury Borough Council seat formerly held by late Haverhill Town Mayor Ted Trebble is to be held on Thursday, March 20.

The seat in the Haverhill North ward will be contested by Patrick John Hanlon (Labour), Tim Marks (Conservative) and Arthur James Nightingale (UK Independence Party).

The polling stations will be at New Cangle Primary School in Chapple Drive, Cangle Junction in Withersfield Road and Haverhill Rugby Clubhouse in School Lane.

The polls will be open from 7am to 10pm and polling cards will be issued. Anyone who wants to vote by post has until 5pm next Wednesday to return an application.

■ **POLLING DAY** . . . a by-election will be held to fill the vacant borough council seat after the death of Ted Trebble.

A by-election for the Haverhill Town South ward on Haverhill Town Council, which was also held by Cllr Trebble, will take place on the same day.

The polling stations will be at the Town Hall Arts Centre and Leiston Social Centre.

Teacher jailed for selling to inmates

A PRISON teacher who sold vodka and mobile phones to inmates in a Suffolk jail has been locked up.

Sending Roy Garner, 56, to prison for nine months, Judge David Goodin told him: "It is extremely serious. You must lose your liberty."

Garner, of Boyton Close, Haverhill, was caught after a routine search of cells at Edmunds Hill Prison at Stradishall revealed written details of a Lloyds TSB bank account, including the number and sort code.

Police were alerted and traced the account to Garner, a teacher at the Category C jail.

A month later, police went to his home and, after carrying out a search which uncovered a bank card for the same account, arrested him.

Jan Brewer, prosecuting, told Ipswich Crown Court that between the account being opened in May 2006 and Garner's arrest last July 25, 19 deposits had been made totalling £2,948.

When interviewed, Garner had been candid about his offending, said Miss Brewer. He told officers he knew he should have reported to the prison authorities any approaches from inmates to bring in banned items, but had not done so.

Garner admitted smuggling 12 mobile phones – which are banned under prison rules – in

return for payments of between £90 and £300.

He had also brought in vodka in water bottles.

Mitigating, Joanne Eley said Garner was a man of previous good character who, when questioned, told police more than they had known at that stage about his activities.

The offending may have been prompted in part by a downturn in Garner's finances, said Miss Eley.

He was had been made redundant from a senior post with a company and had taken the job at Edmunds Hill on a lower salary in 2005.

Garner had admitted being involved in the supply of unlawful property.

Befriending group needs aid

AN MEP is trying to help a befriending group which could be forced to fold because of funding difficulties.

Fears raised for the future of the Suffolk Befriending Scheme, which supports adults with learning disabilities, were expressed to Suffolk Labour MEP

Richard Howitt when he met the group at the Chalkstone Community Centre in Haverhill.

The charity runs a one-to-one befriending service to help those with a learning disability boost their independence, personal development and community participation.

Mr Howitt said: "The service has survived for almost 20 years on a mix of donations, fund-raising events, a grant from Europe and the support of Suffolk County Council.

"The basis that the service receives funding from the county

council is about to change due to a new Government directive and I urge councillors to recognise and prioritise the significant contribution to local people that Suffolk Befriending Scheme and its drop-in centres provide across the county."

Site trailer gets taken

A TRAILER has been stolen from a building site at Haverhill overnight.

The silver Ifor Williams trailer was taken from a secure building site at Chalkstone Way, Haverhill between 4.30pm on Monday, February 18 and 12pm the next day. Calls in relation to this incident should be made to Sgt Sarah Bartley at the Haverhill South Safer Neighbourhood Team on (01284) 774100.

Break-in burglary

CASH was stolen by burglars who broke into a house at Clare by forcing a window over the weekend.

The break-in happened at Lutus Close, Clare, between 5am on Friday, February 22, and 5pm on Monday, February 25. Anyone with information about the incident should call Pc Ryan Harris at Clare police on (01284) 774100.

New chamber administrator

A GROWING chamber of commerce now has an administrator to help organise its affairs.

Haverhill Chamber of Commerce has appointed Donna O'Brien, of Bryony Business Sol-

utions, to the post. She will initially be on a six-month contract and will be the first point of contact for the chamber.

Bryony Business Solutions joined the chamber in August last year

and has been an active supporter of the group over the past six months.

If the balance falls below the minimum investment, the interest rate will be fixed at 1.00% gross p.a/aer.

The gross rate is the rate before deducting tax at the rate applicable to savings income. The annual equivalent rate (AER) is a notional rate which illustrates the contractual rate (excluding any bonus interest payable) as if paid and compounded on an annual basis. Full details of terms and conditions applying to all Society accounts are contained in the savings, ISA and e-saver terms and condition leaflets. The frequency of Society interest is paid annually, with the exception of the Cashbuild 60 and e-saver (issue 2) monthly income option accounts, which are paid monthly. Interest rates of Society accounts not listed on this advert are available on request. All rates are subject to variation. Saffron Building Society is a member of the Financial Ombudsman Service and subscribes to The Banking Code. Member of the Building Societies Association. * This is not a stakeholder product.

Bank of England base rate is 5.25% with effect 07/02/2008.

All rates are subject to variation. Interest will normally be paid at the net rate after deduction of Income Tax at the lower rate, currently 20%. Tax may be reclaimed from the Inland Revenue when the amount deducted exceeds an account holder's liability to tax. Interest may be paid at the gross rate, without the deduction of tax to account holders who are eligible and register that they do not expect to be liable to Income Tax and in certain other cases.

Rural market sets out stall

TWO enterprising villagers at Steeple Bumpstead are starting up a new Farmers' Market in the village hall next month.

Dee Robertson and Chris Teale have already signed up more than 20 stallholders to take part in the event, planned for between 9.30am to noon on the fourth Saturday of each month.

The first market will be held on Easter Saturday, March 22.

Dee said they had spent months planning the event and were keen for more stallholders to join them and plenty of customers to come along, too.

She said: "Chris and I have been running a cake stall for Wood Green Animal Shelter

at the Helions Bumpstead Farmers' Market and we thought, if they can have one, why can't we?

"It's a bigger village and we have got more of a consumer market. There was a census done a couple of years ago and it is something people said they would welcome in the village."

Half of the proceeds from holding the event will go to Wood Green and the rest will be given to the village's two churches. One charity will be invited to hold a table-top sale each month.

Anyone interested in becoming a stallholder or running a charity sale should call Dee on 07889 455398 or Chris on (01440) 730326.

Students show they are highflyers

A TASTE of life above the clouds was given to three students from Haverhill who completed air cabin crew training at a centre in Birmingham.

Sarah Nunn, Fiona Parr and Claire Pattison were among Travel and Tourism students from West Suffolk College who completed their Airline Cabin Crew training at the JARE airline training centre in Birmingham in February.

Twelve second-year students, accompanied by lecturer Jason Ling and trainee teacher Charlotte Skelton, performed various tasks and duties inside a full size mock-up of an aircraft cabin, providing evidence towards their NCFE qualification.

These activities included attending to and rescuing passengers from a smoke-filled cabin, serving refreshments to onboard passengers, opening aeroplane emergency exits and evacuating passengers down the emergency slides.

The students and staff all passed

the course. The day was a great success, and will be repeated again next year for students in the new Academy of Travel Management.

The Academy of Travel Management will be developed along the same lines as the

college's Academy of Finance and Academy of Marketing and Communications.

Anyone interested in finding out more about it should contact the college's information centre on (01284) 716333 or visit www.west.suffolk.ac.uk

Volunteers will monitor landlord

A HOUSING provider is inviting its residents to join a new group which will help to monitor the landlord's services for tenants.

Those who take part will be asked to contact 100 Havebury Housing Partnership residents across St Edmundsbury each month by telephone and ask them three simple survey

questions about their satisfaction with Havebury, its staff and their home. A minimum of 10 people are required to commit to the group for a 12-month period. Volunteers will be given telesales training and be paid in high street vouchers for their work.

Sarah Edison, communities and tenants

adviser at Havebury, said: "The Tenant Satisfaction Telephone Survey will play an important role in helping us to identify those areas where Havebury is performing well and those where we need to improve our services for residents. We hope that volunteers will be willing to give up a

small amount of their spare time each month to help us achieve this."

Telesales training will take place in March and the monthly survey will begin in April. Anyone interested in joining the performance monitoring group should contact Sarah Edison on (01284) 722033 or email sarah.edison@havebury.com

Council blasted for £52k 'spin doctor'

LABOUR councillors are accusing Suffolk's Conservative county council of wasting taxpayers' money on "spin" by recruiting for a brand marketing manager on a salary of up to £52,338.

The post is to "develop a corporate and countywide market and branding strategy and function" for the council, but "appalled" Julian Swainson, Leader of the Labour Group branded it a "terrible waste of taxpayers' money".

He said: "What does it say about the Conservatives' priorities when they spend thousands on spin doctors, while

cutting money going to social care? It's not just bad timing, it's barking mad."

But Jane Storey, the council's deputy leader, claimed the role could save up to £300,000, as work currently done piecemeal by up to 80 staff members would be done by one person. She said a local pilot scheme in December had enabled the council to make 18 per cent savings and it was planned to extend this to all areas.

Cllr Storey added: "I think it is a bit rich for the Labour group to say this is just spin, when they have been nothing but spin ever since they were elected."

Help us keep you informed. We want your news. If your village or club is planning an event, let us know. If your organisation recently had an interesting meeting, let us have a report. Kedington

THE monthly meeting of the parish council was held at the library. Chairman Councillor Terry Wheeler welcomed those present, including borough councillor Marion Rushbrook and Shaun Jarvis, of the Wildlife Group. A police constable from the Safer Neighbourhood Team also attended and reported that the team was keeping a close watch on the village and that anti-social behaviour had declined since one of the prime suspects had reportedly left the village.

Mr Jarvis thanked all those who had helped plant the trees on the Risbridge Meadow. In all around 1,000 trees were planted. Cllr Rushbrook gave an update on the controversial closure of the doctor's surgery at the end of March, and thanked all who had distributed petitions around the village relating to the closure. As the borough councillor, she said she was also pleased that St Edmundsbury Borough Council had been voted the best in the country by the Audit Commission inspectors. After complaints of dog fouling, the dog warden had been in touch and would like to hear of problem areas in the village.

Chairman of the finance

committee, Cllr John Cahill, reported a satisfactory financial position and that the precept had been received from the borough council.

The council agreed the grass-cutting programme for the coming year. A grant of £150 was approved for the Early Birds playgroup, with a promise to look at the request again next year.

A request for the fish and chip van that operates from Silver Street to be transferred to the community centre car park was unanimously rejected on the grounds that it could cause problems with parking, in particular when events were taking place at the centre.

There were no objections to the removal of a sycamore tree and other plants along the border with Arms Lane, to improve the appearance. It was also suggested the car park should be extended when finances permitted.

There was a discussion on whether the village should enter the Calor Village of the Year competition 2008. Kedington has won this award in the past and a certificate is displayed at the centre. However, no councillor volunteered to take on the organisation, which would be quite time-consuming. The judging takes place on May 2, and it was agreed to invite

Teamwork brings good Ofsted report

■ WELL DONE. . . staff and children at Haverhill Methodist Church playgroup celebrate a good Ofsted report. Picture: Keith Jones 469368.

A CHURCH playgroup is celebrating being rated as "good in all areas" by an Ofsted Inspector.

The Haverhill Methodist Church Playgroup operates on five mornings a week at the hall behind the church in Camps Road, Haverhill. The pre-school group caters for a maximum of 24 children a day and currently has 26 children on its books. Ofsted inspector Sarah Johnson, who visited the group last November, said: "Children are cared for by well qualified and suitable staff, who have a clear understanding of their roles and responsibility in

meeting children's individual needs. Children enjoy the time they spend at the pre-school. They are happy, confident and interested as they engage in a wide range of stimulating and challenging activities."

One improvement she did suggest was to the Book Corner, which should be made more accessible and comfortable. Dot Parker, the group's play leader who was nominated for the Suffolk Play Leader of the Year in 2007, said: "We were very pleased. The good teamwork is clearly reflected in the report. There was very little to sort out."

volunteers who may be interested to put their names forward.

It was agreed to discuss the council office at the March meeting, when hopefully the future of the surgery should be clearer.

A planning application in respect of 7 Barton Grove has been deemed acceptable.

As a follow-up to the council meeting, another letter from the chairman has been distributed throughout the village, mainly focusing on the proposed closure of the doctor's surgery in Kedington. The letter, by Cllr Wheeler, reflected the large attendance at the special meeting on February 8, which fully

indicated the depth of feeling against the closure. The letter also highlighted the failure of the Primary Care Trust to attend the meeting on the grounds of it receiving "too short notice", although it was given the same notice as Richard Spring MP, and Drs Cornish and Stephenson, of the Christmas Matings

Surgery, who all attended. The parish council will also be consulting Martin Royal, head of finance at the PCT. Parishioners are urged to voice their concerns to Richard Spring MP, House of Commons, London SW1A 0AA and Melanie Craig, Head of Performance, Suffolk NHS Primary Care Trust,

Rushbrook House, Paper Mill Lane, Bramford, Ipswich IP8 4DE.

■ As a result of a public consultation on library opening hours, the following times have been agreed: Monday 10am-noon (Bookstart only); Tuesdays 2-5pm and 5.30pm-7.30pm; Wednesday 9am-1pm and 2pm-5pm; Thursday 11am-1pm and 2pm-5pm; Saturday 9am-1pm and Sunday 1pm-5pm.

■ Diary – Friday: Church Restoration Winter Supper, community supper and evening at the races: 7pm for 7.30pm, three courses, three chances to back a winner. Bar, tea, coffee and tote. Tickets £10 from the Post Office. Sunday: Mothering Sunday, family communion parish church 9.30am church in the field service, community centre, 10.30am. Monday: RBL Bingo, Legion Hall, 8pm. Tuesday: monthly meeting of the Garden Society, Legion Hall, 7.30pm, when Joe Sharman will give a talk about primroses.

■ For its monthly walk on Sunday, Kedington Footpath and Hedge Group will continue with venues not too far distant until the daylight lengthens, and will be visiting the West Wrattling area. Meet as usual at the Community Centre Car Park at 2pm. Organiser John Swann: (01440) 708690.

SAM'S THE WORD

News from Samuel Ward Arts and Technology College

EVERYONE is now settled back in after half-term. All students are ready to carry on completing coursework and other pieces of work. This week, the Year 11 students who have applied to sixth form had their interviews with senior staff. These interviews allow the staff to learn about what the applicant would like to study, their attitudes to their studies, and their future aims after A-levels. Good luck to all those who applied.

■ Last week, the students who are preparing for the World Challenge went to Buxton in Derbyshire on a training expedition. Participants will learn and practice the skills needed to cope with surviving in harsh conditions as well as preparing food and putting up shelters.

■ At the moment, Year 9 pupils are choosing what subjects they would like to take for their GCSEs. These choices will help the students think about what careers they may want to pursue later.

■ Trainee teachers are in the school, learning the methods and skills needed for successful teaching. We have spoken to a couple of them to

learn about their experiences and how they prepare for the lessons. Firstly, we spoke to Mr Green, who teaches English and English Language. When asked about what methods he has been taught to be successful in the classroom, he believed that being unbiased towards students and speaking to students in the right way were the key methods of managing the class. He also thought that having a strong knowledge of the subject was crucial. We also spoke to Miss Davis, who teaches Chemistry. When we spoke to her about safety during the practical work, she said that the key factors were giving very clear instructions about the precautions needed as well as being vigilant when people ignore the safety instructions. We also asked her about how she works with different abilities and how it is important to use more open questions with the more able students to improve their knowledge and also using simpler but effective methods when working with less able students.

MANORISMS

■ After a great outcome from the auditions, the cast

list for the summer show, *Little Shop of Horrors*, has been put up in the college. Auditions for the musical are to start soon.

■ This week, members of the Young Chamber are to meet with the Haverhill Chamber of Commerce, Year 9 students will travel to Cadbury World on a business trip to look at production and marketing, and Year 11 students will visit Ipswich Town Football Club to gain an insight into professional football.

■ **LEARNING CURVE** ... parents join their children in a language class at Castle Hill Middle School.

Picture: Keith Heppell 465806.

Learning English is a family affair

PUPILS and their parents have been getting together in the classroom to polish up their English.

Lessons for families who do not have English as their first language have been launched at Castle Hill Middle School in Haverhill. Staff members at West Suffolk College in Haverhill were approached by the school's deputy head, Tanya Devereaux, who had identified a shortage of family-based learning for people coming to work in the area from abroad.

Children are automatically given English language lessons, but the new project is for families.

West Suffolk College has set up a weekly session

every Thursday at 3.15pm in the school. The class is open to all pupils at Castle Hill Middle School and their families.

Barbara Adshead, from West Suffolk College, said: "The whole family is welcome to come along and join us. Castle Hill has made everyone really welcome and the sessions are a great idea to get everyone involved. All nationalities can join the classes and we welcome everyone from baby brothers and sisters to grandparents."

The college also offers English for Speakers of Other Languages classes. Employers or individuals can ring the college on (01440) 712177.

Biotech jobs welcome

BY Jo Deeks

Email: editorial@haverhillweeklynews.co.uk

MORE jobs are on the way at a leading biotech company which has announced further expansion plans at its Haverhill base.

UK trade minister Lord Digby Jones of Birmingham praised the Genzyme Corporation during a visit to its global headquarters in Cambridge, Massachusetts.

He also learned of the company's investment in the UK and was briefed on plans to expand its Haverhill manufacturing site in Rookwood Way, where more than 300 staff are already employed and more than £100 million has been invested over the past five years.

Genzyme has been conducting polymer manufacturing in Haverhill for eight years, producing the bulk product for its kidney disease drug, and this facility will be expanded.

Lord Jones said: "As I spread 'Brand Britain' around the world in my role as Trade and

■ **GROWTH STORY** . . . Genzyme chairman and CEO Henri Termeer and UK trade minister, Lord Digby Jones. CP

Investment Minister, I am delighted to be at Genzyme's headquarters to learn of this development. It is fantastic news that one of the world's leading biotech companies has decided to further invest in its manufacturing operations in the UK.

"I welcome Genzyme's choice to build on the success and innovation of the UK's capability for its latest expansion. Forty five per cent of new biotechnology drugs in late-stage clinical trials in Europe are from the UK. The

UK is one of the world's most attractive locations for international pharmaceutical and biotechnology operations and I am committed to make this sector go from strength to strength."

Henri Termeer, Genzyme's chairman and CEO, said: "I am delighted to host Lord Jones and share with him the story of Genzyme's growth and progress in the UK. We established our roots in the UK very early in our development, and over the years we have significantly expanded our investment in the country."

"Today, we are actively engaged in many areas in the UK, including clinical and scientific research and manufacturing, and delivering our full portfolio of innovative treatments to UK physicians and patients."

"We are proud to share with Lord Jones today our plans for expanding the Haverhill facility, which is playing a critical role in our global manufacturing infrastructure and helping to support the long-term growth of our company."

The event will be raising funds for community radio station 209radio and will be broadcast on the station at 105FM. Tickets are £4 and the show starts at 7.30pm.

Double mix

THE Middle Eastern sound of double bassist Daphna Sadeh comes to the Emmanuel United Reformed Church in Cambridge tomorrow. Influenced by the mix of cultures she grew up in – Jewish, Arab, Christian and Bedouin – she has developed a unique style alongside her band The Voyagers. Also performing is local singer Anne L Ryan. The evening starts at 7.30pm and tickets are £8-£12. To book call (01223) 264991 or visit www.movingtone.com/tickets

Mics and amps at the ready for big battle

■ **SEARCH FOR A STAR** ... Yo Yo Yo Litvinenko will be just one of the bands taking to the stage in the hope of being crowned this year's Cambridge Band competition winners.

THE bands who have made it through to the heats of this year's Cambridge Band competition have been announced.

The competition is being relaunched this year and the heats will be taking place at the Graduate on Mitcham's Corner throughout April before the final at the Corn Exchange on Friday, May 9.

The first heat takes place on Thursday, April 10, and will feature The Beautiful Sleazy, Common Courtney, Thudbox and Filthtones.

The second heat on Thursday, April 17, will feature General Lee, Slay That Dog, Wolves Stole My Childhood and Federal Black 40.

On Thursday, April 24, the bands will be The Cougars, Keltrix, J Treole and The Winter Kings.

The final heat on Thursday, May 1, will include Flick 66, The Ridley Bury Experience, This Is My Honesty and Yo Yo Litvinenko.

The Fab Four back with their mop tops

THE final of the 2008 Haverhill Rock Competition took place in front of a packed house on Saturday.

It was a close-run contest, but Solstice won both the judges' vote and the audience vote, and will receive a recording session and a gig at the arts centre. Runners up, Indigo, will also perform a gig there.

■ If you fancy a trip back to the swinging 60s, pop along to the arts centre on Friday at 8pm to hear one of the UK's most authentic tribute bands, The Complete Beatles. Whipping fans into a frenzy with all the classics, the show also incorporates the trademark Beatles' sense of humour, vintage instruments, authentic

stagewear and, of course, the iconic "mop top" hairstyles.

■ *The Kite Runner* (12A), an adaptation of Khaled Hosseini's much admired novel, is showing on the arts centre's big screen next Tuesday and Friday at 7.45pm. It tells the story of Amir, a boy from Kabul who is haunted by the guilt of betraying his childhood friend Hassan, the son of his father's servant. The story is set against a backdrop of tumultuous events, from the fall of the monarchy in Afghanistan, the Soviet invasion, the mass exodus of refugees to Pakistan and the United States, and the Taliban regime. It has English subtitles.

■ The first of the arts centre's foreign language films, included in the Foreign Language Season

ticket, is *The Band's Visit* (12A) showing next Wednesday at 7.45pm. This comedy features an Egyptian police band in Israel that lands at the airport without anyone to meet them. The mishaps continue from there as the band ends up in an out-of-the-way desert town. The film won Best Film, Best Actor and Best Actress at the Israeli Film Academy awards, the Un Certain Regard: Jury Coup de Coeur at the Cannes Film Festival; and numerous other international film festivals awards.

Buy one season ticket for £14 and see up to four films in the Foreign Language Season.

■ For more details about the shows, or to book tickets, phone (01440) 714140 or go to www.haverhillartscentre.co.uk

**TRAIN AS A
JOURNALIST**

Journalism is often seen as glamorous and exciting but, as with any occupation, success comes only after much hard work and routine activity. However, each working day as a journalist is different and the training you receive will give you the flexibility to cover a wide range of news stories and features.

Journalism draws on all the knowledge and skills you have acquired and can give you a tremendous sense of achievement. If you've got what it takes, journalism could be the career for you!

SO WHERE DO I START?

The NCTJ is the principal provider of journalism qualifications and training and offers a wide variety of training and learning options to suit everyone.

NCTJ qualifications are what editors look for when they are recruiting trainee journalists and these can be gained through full-time, part-time, distance learning or on-the-job training courses.

We also offer press photography and photo-journalism training.

For further information about training as a journalist, please visit www.nctj.com where you will find details of all courses offered, locations of study and details of educational requirements.

New Ford Fiesta on way

IF you haven't owned, or driven one yourself, you will know someone who has.

Not for nothing is the Fiesta Ford's most successful small car, with more than 12 million of them sold since it was first introduced in 1976.

Now the Blue Oval is out to satisfy a whole new motoring generation with its latest fun-loving, fashionable take on the popular supermini. It goes on sale throughout Britain this coming autumn.

The all-new Fiesta's exterior and interior design is taken from the striking Verve Concept, first seen at the Frankfurt Motor Show in Germany last autumn.

That design exercise picked up a few awards, which means the next-generation model has the promise to shake-up Britain's supermini scene.

Radically different in design from the outgoing version, the 2008 Fiesta is more stylish, with better build quality, and features quality materials.

Model choice is better, too, says Ford, but the firm says it will be as affordable, and remain true to the Fiesta fundamentals of practicality, agility and safety.

Compact, traffic jam-busting dimensions stay, yet the new structure is lighter and stronger than before.

This sixth generation of the Fiesta will be offered in both

■ 2008 FORD FIESTA . . . yes, this great-looking hatchback really is the next city car from Ford.

three and five-door body styles, and the coupe-like profile of both versions clearly state that this is a small car with a big presence.

The Ford Convers+ system – already available on the firm's Mondeo, S-MAX and Galaxy models – will feature in the cabin, and there's keyless ignition, a convenient tray, with sockets, for MP3 players and the traditional 12-volt outlet.

Bluetooth connectivity with voice control will be an option.

Engines are a mix of efficient petrols and diesels, with the 1.25-litre and 1.4-litre petrol units joined by a new 1.6-litre option.

For economy, Ford's TDCi common-rail diesel engines will continue to be offered in 1.4-litre

and 1.6-litre guises. Later this year, a Fiesta EConetic, with CO2 emissions of less than 100g/km, will become available.

All Fiestas will get the Durashift five-speed manual transmission, and a four-speed automatic transmission will be optional on certain models.

Electric power-assist steering is available in the Fiesta for the first time, and full technical details and UK trim levels for the new Fiesta will be released closer to the model's UK launch.

By the way, as the on-sale date approaches, watch out for some real Fiesta bargains as the old model ends its run. Expect special editions, and dealer promotions, in the UK this summer.

Sexy Abarth to give Fiat 500 a sting in its tail

HOT off the press are the first official pictures of Fiat's new 500 Abarth – a high perfor-

mance version of the just-launched Fiat 500 city car. The 500 Abarth will

make its international public debut at the Geneva Motor Show in March and was

developed in the spirit of the legendary Fiat 500 Abarth of the 1960s.

Powered by a Fire 1.4 16v petrol turbo engine, it has 135bhp and peak torque of 152lb ft at 3,000rpm in 'Sport' mode. In 'Normal' mode, torque is reduced to 132lb ft at 2,500rpm.

Inside, the 500 features special instrumentation, with the addition of an analogue gauge to measure turbo pressure.

An LED telltale that optimises gear changes by lighting up at the appropriate moment is also incorporated.

YOUTH FOOTBALL ROUND-UP

Moore merrier after derby win

THESE two local teams met for the second time this season with Grampian Gunners looking to gain revenge for Wratting’s earlier victory.

The opening minutes were very even, Wratting’s Jack Harvey and Charlie Ellam causing problems for the Grampian defence.

However, Wratting defenders Callum Dray and Liam Gibbs also had their hands full at the other end.

Grampian’s football was calm and patient, with Jack Ferguson, Mitchell Forshaw and Jamie Lingard all missing early chances.

The game flowed from end-to end, but the visitors slowly increased the

pressure. Ferguson sent in a perfect corner and captain Jason Moore took advantage of the confusion to smash home from two yards.

Lewis Whiting, who was impressive on the left for Grampian, won a corner and sent in a curler, which hit the post.

As Wratting froze, Moore again reacted first, calmly slotting home his second.

The final half was similar to the first, but Grampian lost the speedy Josh Matthewson early on with a bad injury and had to reshuffle.

Wratting’s Charlie Ripp linked well with Leyton George in trying to

reduce the deficit, but Grampian’s defensive pairing of Bailey Cassidy and George Mustoe forced the hosts to resort to mainly long-range shots.

All hopes of a Wratting comeback were ended when Grampian’s man-of-the-match Jack Ferguson scored a screamer.

He jinked in from the left and curled home a 25-yard beauty.

However, Wratting refused to lie down and, in the final few minutes they broke through but saw Grampian goalkeeper Lewis Knightly’s hand appear in the top corner to tip away a fine shot.

With 15 minutes left Scott Bishop took over in goal for Wratting after James Woodward was injured.

Wratting’s man-of-the-match was the lively Harvey.

WRATTING were quickest off the mark as striker Cameron Kidd notched his side’s first goal.

Using their revitalised passing game, the home team continued to pile pressure on the visiting defence and it was not long before Wratting struck again.

Alex Carter buried the ball in the back of the net to give the hosts a two goal advantage.

Carter then turned provider when his carefully weighted reverse pass put Will Bailey through on goal to fire home the third.

Bailey’s accurate pass then put his skipper Paul Jenkinson clear to net from close range.

With the interval looming, Wratting winger Ben Eames finished off the scoring for the half with a well-taken goal from inside Walden’s penalty area.

The second half saw the home side continue their scoring ways with a Kidd pass finding Jenkinson to apply a clinical finish.

Despite the travelling side’s gallant rearguard action, the home side continued to press forward looking for more goals.

Josh Osuchukwu seized on his opportunities to score two goals in quick succession, but he saved his best goal for last, with a quick, mazy run through two Walden defenders before rounding the keeper to tap home for his hat-trick goal and to seal the win for his team.

FOOTBALL

Bull charges in to pep Rovers

RUSSELL Bull scored on his debut as Haverhill returned to winning ways in fine style against Kirkley & Pakefield at Hamlet Croft on Saturday.

Steve Taylor's men had suffered four straight league defeats and were in desperate need of a victory to lift their spirits.

And they made the perfect start when Wayne Goddard rose highest to head past the goalkeeper from Lee Wilson's cross after just six minutes.

The hosts continued to force their opponents back and Bull powered his way into the box and saw his powerful cross-cum-shot flash narrowly wide of the upright.

But he did not have to wait long for his goal and Wilson was the provider again on the half-hour

RIDGEONS LEAGUE, PREMIER DIVISION

as his lofted pass was met by Bull's forehead and flew into the bottom corner.

Jamie Thurlbourne went close to adding a third before the break when his curling free-kick beat the Kirkley goalkeeper and fizzed inches wide.

The visitors pulled one back nine minutes after the interval, before good work from Thurlbourne and Nick Impey allowed Adam Ben-Saud to restore the two-goal advantage after 71 minutes.

Haverhill, who remain sixth in the table on 51 points, travel to relegation candidates Ipswich Wanderers on Saturday.

■ OPENING STRIKE . . . Wayne Goddard, scorer of Haverhill's first goal.

Five-goal Moore is a thorn in side of Rose

THERE is nothing better than a good cup run and last weekend once again teams in the Treadfirst Sudbury and District Sunday League battled it out in the first round of the Don Evans competition.

Kedington White Horse enjoyed a resounding 8-1 victory over Haverhill Rose & Crown with Michael Moore leading the way with five goals. Simon Goodings also added a hat-trick.

Grampian Sunday were top of their game with a 7-2 victory over Cornard Athletic with three from Danny Hill, two for Ross Elkins and a goal apiece for James Pagram and Lee Hurkett. Mount Pleasant made easy work of Mount Pleasant Reserves with a 4-1 victory, while Fingleaves beat Boxford Rovers Reserves 5-2.

Division One league leaders Border Athletic were ultimately too strong for Delaware Feather Angels of Division Five, as the Haverhill side made their

exit from the competition after suffering a 5-0 defeat.

Though defending strongly throughout and keeping their higher league opponents at bay for long periods, the side from Clare were able to take a three-goal lead at half-time.

This had followed Angels having a Craig Foster effort disallowed due to a foul throw in the build-up.

Border scored two further goals after the break despite further resolute Angels' defending.

Haverhill United Old Boys progressed after thumping Horse & Groom 6-2, and Barnadiston Arms won 5-2 against Cornard Crusaders.

An unbeaten record in the league is now only held by one team after Woodlands lost their in an 8-1 thrashing by SC Sudbury.

The only undefeated team is now Haverhill Bull, who snatched a 2-1 victory over Lavenham, with strikes from Derek Berbs and Jonathan Woody.

Westley takes England helm

■ IN CHARGE . . . Tom Westley, who skippered his country.

TOM Westley was named as captain and contributed with bat and ball as England defeated Sri Lanka on the Duckworth/Lewis method in the fifth place play-off semi-final at the Under-19s World Cup.

Westley, from Weston Colville, led the side as skipper Alex Wakely was unavailable and he claimed 2 for 38 from nine overs as their opponents made 241 for 5 at Kuala Lumpur's Royal Selangor Club.

England made an excellent start in reply and reached 75 without loss before James Taylor's departure for 30 brought Westley to the crease.

And the 18-year-old all-rounder led by example and constructed an unbeaten 58 from 77 deliveries, and struck just one boundary in a dogged display.

Westley put on 31 for the second wicket with Billy Godleman and shared a 90-run partnership with

Sam Northeast as the team kept up with the required rate following a rain shower.

And the Essex youngster was at the crease when the winning runs were struck and England reached 204 for 3 from 44.1 overs to seal a spot in the fifth place play-off final.

Earlier in the tournament, Westley's efforts with the ball were not enough to prevent England losing to India by seven wickets in the quarter-finals of the main competition.

Westley took 2 for 30 from six overs as India eased to 149 for 3 with more than 10 overs to spare.

England had earlier struggled with the bat and were skittled out for 146 in 46 overs. Westley faced 26 balls and scored nine runs.

Earlier in the competition, Westley, who plays his club cricket for Saffron Walden, helped England to victories over Ireland and Bermuda in their group matches. Their only blemish was a defeat by Bangladesh.
